HISTORY / WHY MASSIDA GROUP ?

Founded in Saigon in 1951 by Jean Massida

Established in **Djibouti in 1964**, Massida Group started its activities by supplying import / export freight forwarding services, by air / sea, for all types of cargo.

Massida Group is based in Djibouti since 1964

Employing more than 200 skilled professionals offering door to door logistics, express courier, international removals, ship agency.

First operator to be present in Ethiopia and Djibouti offering full control of cargo flows over the corridor.

International standards offered by a family business, Massida management hands on approach ensures our teams care about our customers, you're not just a number.

One stop shop offering full range of services including sourcing, origin services, air/sea freight, clearing, storing, trucking.

Extensive past performance in handling all types of cargo from an urgent letter to a 110 tons transformer.

Experienced professionals in servicing and communicating with commercial, industrial, project, military, government, NGO, diplomat accounts.

With over 50 years experience in HOA, Massida teams offer strong support and insight, the does and don't, to assist customers in reducing risks and reaching objectives.

Trusted partner of top 5 leading international networks offering capacity to handle cargo in any country.

QHSE, anti-corruption, anti-fraud compliant and regular training offered to our teams.

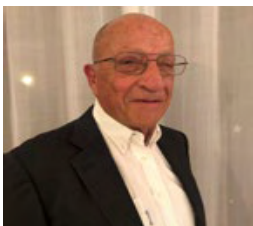

MANAGEMENT

André MASSIDA Chairman

In 1969, André Massida became General Manager and used his vision to adapt his strategy to the rapidly developing Republic of Djibouti adding activities such logistics, HHG relocations and ship agency to the group's portfolio.

André Massida is active today supporting Massida Group with his robust experience and vast network.

Reuben AHRONEE CEO

Reuben Ahronee offers 18 years of management and development experience starting with sales & marketing in luxury hospitality in Europe followed by joining Massida Group in 2007 as General Manager to restructure and develop activities. Under his management Massida Group has added Massida

Shipping specialized in military vessel husbanding services and Massida Express Services representing Aramex.

In 2014 Massida Group was the first international freight forwarder to open in Ethiopia with Massida Solutions PLC offering full control of Djibouti / Ethiopia corridor activities.

Gabriel CHAHER Manager Massida Solution PLC and COO Massida Group

Gabriel Chaher joined Massida Group in august 2022 with more than 25 years' experience in new technologies acquired in various executives' roles from Business Units Director to Vice-President of Sales and Marketing on a global scale (North America, Europe Middle East, Africa, Asia-Pacific) while being based in Paris (France), Seattle, WA (USA) and to a lesser extent in Dubai (UAE).

With his global corporate experience, Gabriel Chaher, as Chief Operating Officer, has focused on transforming Massida Group by rationalizing ERP/IT systems and is helping make strategic decisions to expand reach and drive growth while optimizing productivity.

In August 2023, his role has expended as General Manager of Massida Solution PLC in Ethiopia and of which is also a shareholder.

LOGISTICS AND FREIGHT FORWARDING

50 years experience at your service!

(Ethiopia) :

High quality service at competitive rates!

Seven good reasons to choose Massida:

- ✓ 60 years of experience at your service!
- ✓ Offers full control of regional logistics corridors thanks to Massida registered companies
- ✓ One point of contact to support 100% of logistics requirements from origin to destination
- ✓ Efficient, recognized Q-HSE system
- ✓ International reach with local expertise
- ✓ Cage Code : SEQ70 – D.U.N.S Code:850454755 – Central Contractor Registered(CCR) Navy Electronic Member
- ✓ FCPA – The Foreign Corrupt Practices Act, NATL Ethics Governance. Compliance Commitment to ITAR

LCL-CARGO GROUPAGE SEA / AIR CONSOLIDATION

Massida guarantees a door-to-door delivery service in the shortest possible time at a competitive rate!

Massida offers regular weekly consolidation services from major ports/airports to Djibouti and Ethiopia via its international freight forwarder affiliations. Clients have the possibility to ship less than container load on a regular basis via sea or air.

Cargo can be picked from supplier at origin, it is then consolidated and shipped with other clients' cargo via sea or air, delivered to Massida bonded warehouse, and finally delivered to local client premises.

Consolidation helps save freight costs thanks to our special negotiated rates with air and sea companies.

Contact Massida Logistics groupage service experts for more information, refer to [contact page](#).

PROJECT LOGISTICS

Focus on your project, Massida does the rest.

Logistics in the Horn of Africa can represent more 60% of setup costs and may be a reason for success or can permanently damage a project.

Massida Group has built its reputation since 1964 in assisting international clients with the realization of important projects in various sectors offering extensive support and knowledge of the local environment.

Project managers can therefore prepare, plan accordingly and focus on their core mission while mitigating potential risks.

Massida Group is the only international logistics specialist with owned offices in Djibouti and Ethiopia offering key full control of the inland corridors.
